

Timetables

We currently hold regular classes in two different locations in Brisbane. We have classes running in Brisbane City, and on Brisbane's Southside. In each section you can find the address, times, days, photo's of the venue and also links to road maps to help you get there. For all further enquiries relating to our regular classes, please contact us. (For classes, locations and times in other places, please visit our Australian IKMF Websites page or IKMF Australia HQ).
